

Servers December 2017 updates

Reminders:

- Lighting candles-use taper, pull knob down and push back up
- Walk at moderate pace, not slow or fast
- Crucifer hold book high, at bottom of neck-no need to read along with priest
- Stand reverently at all times, hands folded, no slouching, cocking hip
- Carry presider chalice with hand on top
- Step to deacon and priest-with cruets, with handwashing, etc.
- End of Mass say “nunc et semper” (now and forever) after priest or deacon recites

Changes at offertory:

Organ Table set up

- Missal stand on credence table top of stairs
- Candles stay together and both bow to deacon after water handed back to candle 2
- Crucifer and captain both bow to priest after washing hands, return to organ table

Changes at Communion:

- Captain gets ciboria/purificators from credence table top of stairs, gives to deacon and immediately goes to line

After Communion:

- Crucifer removes missal and stand, but everything else remains on the altar
- Candle 2 goes with priest if there are any gluten free pyx in a ciborium
- Captain gets water cruet and pours water over priests fingers, hands to deacon when asked and stays with water cruet until priest starts folding corporal (priest may ask for more water in chalice)
- Candle 2 stands on end of line closest to organ and takes purificators from ministers, folds in a pile on organ table, returns to take presider chalice from altar and place on organ table
- Candle 1 takes tray of chalices after all have been purified
- Crucifer takes stack of ciboria after purified
