What is the Olweus Bully Prevention Program?

The goal of the Olweus Bully Prevention Program (OBPP) is to achieve a positive school and community environment.

School wide

All students will follow these four anti-bullying rules:

- 1) We will not bully others.
- 2) We will try to help students who are bullied.
- 3) We will try to include students who are left out.
- 4) If we know that somebody is being bullied, we will tell an adult at school and at home.

How much bullying happens in the US?

In a U.S. study of bullying, with more 15,000 students in grades 6-10, researchers found that 17% of students said they had been bullied "sometimes" or more often during the school term. 8% had been bullied at least once a week. 19% had bullied others "sometimes" or more often during the term. 9% had bullied other students at least once a week.
